

OAHAHA!

OAKLEY CUPID
HERE, BRINGING YOU THIS YEAR'S
VALENTINE'S DAY CARDS!

GIVE A FEW TO
YOUR LOVED ONES
AND WATCH THEM
AFFECTIONATELY STICK
THESE CARDS ON THE
REFRIGERATOR...

...ONLY TO BE THROWN
OUT OR COVERED WITH A
BURGER KING COUPON
TWO MONTHS LATER...!

Be my Valentine?

I'm kind of a
Big Deal.

I Totally
Digg You!

diggs

digg you

A piece of my heart
belongs to you.

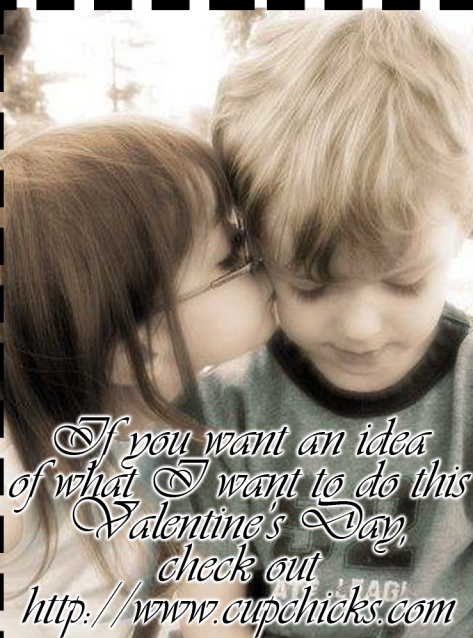

The Tricuspid
Valve, I believe.

You're a cuddly wuddly
bear and I'm your funny
honey bunny.

So genetically
speaking,
we can't have
any children.

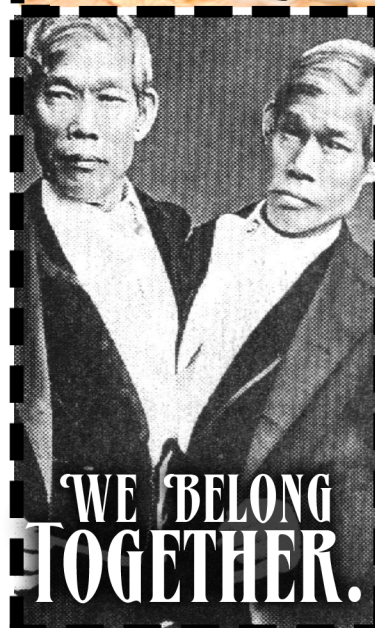

If you want an idea
of what I want to do this
Valentine's Day,

Baby, whatever
comes our way,

I'll be ready with
my Financial Aid
check, a coat hanger,
or a half-assed excuse.

WE BELONG
TOGETHER.

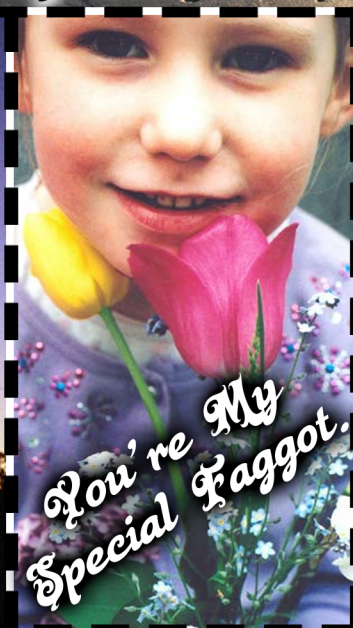

There are absolutely no
words to describe my
feelings for you...

...but luckily this
card I printed off
the internet will stop
you bitching. "Durr,
why didn't you get
me a Valentine's
present? Why didn't
you get me a
Valentine's present?"

Love is timeless...

and you're
the cat's meow
at Glenside
Middle School.

You're My
Special Faggot.
